RE: CC Docket No. 00-257, Notice of Customer Transfer — Time Warner Cable Information Services (Ohio), LLC and ACC Telecommunications, LLC, Notification Pursuant to 47 C.F.R. § 64.1120(e)(1)

Dear Ms. Dortch:

Pursuant to 47 C.F.R. § 64.1120(e)(1), Time Warner Cable Information Services (Ohio), LLC ("Time Warner Cable") and ACC Telecommunications, LLC ("ACC Telecom") hereby notify the Commission of the pending transfer of certain private-line data customers from ACC Telecom to Time Warner Cable.

Parties to the Transaction: The pending transfer of customers will take place upon approval and completion of the merger transaction involving Time Warner Cable Inc., Adelphia Communications Corporation, and Comcast Corporation. Through the pending transfer, the private-line data customers of ACC Telecom in Ohio will be acquired by Time Warner Cable. Service to these customers will be transferred to Time Warner Cable without obtaining each customer's authorization and verification in accordance with 47 CFR 64.1120(c).

Types of Telecommunications Provided to Affected Customers: ACC Telecom currently provides these customers with private-line data telecommunications services. Time Warner Cable Inc. will provide the same services to ACC Telecom's customers through its subsidiary, Time Warner Cable Information Services (Ohio), LLC.

Planned Date of Transfer: ACC Telecom's customers will be transferred to Time Warner Cable after all required regulatory approvals are received for the overall Time Warner Cable, Comcast, and Adelphia transaction and at least 30 days notice is provided to affected customers.

Certification of Compliance: Time Warner Cable hereby certifies compliance with the requirement to provide advanced customer notice in accordance with 47 C.F.R. § 64.1120(e)(3), with the obligations specified in that notice, and with the other statutory and Commission requirements that apply to this streamlined process.

Copy of Notice Sent to Affected Customers: A copy of the notice sent to the affected customers by June 28, 2006, is attached hereto.

An original and five (5) copies of this letter are enclosed. Please data stamp the additional copy and return it to the waiting messenger. Should you have any questions, please do not hesitate to contact me.

Respectfully submitted,

A handwritten signature in black ink, consisting of the letters 'A' and 'F' joined together.

VIA OVERNIGHT MAIL.

Dear Customer:

YOUR ACC TELECOMMUNICATIONS, LLC SERVICES ("ADELPHIA") WILL BE TRANSFERRED TO TIME WARNER CABLE INFORMATION SERVICES (OHIO), LLC d/b/a TIME WARNER CABLE ("TIME WARNER CABLE") BY AUGUST 1, 2006 UNLESS YOU CHOOSE A NEW SERVICE PROVIDER

Thank you for being a loyal Adelphia customer. After many years of providing regulated data transport services in Ohio, Adelphia is now exiting the market. As of July 31, 2006 Adelphia will no longer be providing your intrastate data transport service in Ohio. Adelphia recently agreed to sell its assets, including its regulated telecommunications assets in Ohio, to Time Warner Cable. Time Warner Cable is one of the nation's most experienced providers of communications services, serving 10.9 million customers in 27 states nationwide. Time Warner Cable looks forward to providing your service and will make it our goal to provide you with the highest quality services at competitive prices.

How will this transfer affect your rates and service?

Immediately following the transfer to Time Warner Cable, you will continue to receive the same services you currently receive from Adelphia at the same rates, terms and conditions you have now, in accordance with your existing contract or effective tariffs on file with the Public Utility Commission of Ohio ("PUCO"). The only difference is that your service will be provided by Time Warner Cable instead of Adelphia. If in the future Time Warner Cable determines that its rates, terms, or conditions require modification, it will follow PUCO guidelines regarding such changes, including where required, written 30 day notice to customers. Adelphia will continue to be responsible for the resolution of any complaints raised with the PUCO until the transfer of assets and finalization of the sale, which we expect to take place on July 31, 2006.

What action do you need to take?

You do not have to do anything to have your services transferred automatically to Time Warner Cable. Unless you make other arrangements, your services will be transferred automatically to Time Warner Cable. We anticipate the date for this transfer will be on July 31, 2006.

You will not incur any charges for the change to Time Warner Cable. However, should you select another provider of your choice, you may incur additional charges. In the transfer of service to Time Warner

Cable, your service will continue unchanged. Please be aware that you are responsible for paying all bills rendered to you by Adelphia during this transition. You may be subject to termination of your service in accordance with PUCO rules if you fail to pay your bills.

We are confident that you will be completely satisfied with the service provided by Time Warner Cable. Your contract with Adelphia will be honored by Time Warner Cable. You remain free to select the telecommunications provider of your own choosing. If you do wish to select another service provider, you should contact that company immediately to ensure your service is transferred prior to the automatic transfer to Time Warner Cable. You should be aware that you may incur a carrier change charge if you select another provider.

If you have any questions:

Adelphia and Time Warner Cable are working together to ensure that there will be no changes or interruptions in your existing service during the transfer and that you continue to be a satisfied customer. Should you have any questions or concerns about this transfer, you may contact Adelphia at (888) 644-6442. Following the transfer, you may contact Don Kosec of Time Warner Cable at (330) 630-7994.

We appreciate your patience and continued business through this transitional period and look forward to serving your telecommunications needs.

Sincerely,

TIME WARNER CABLE
